Service and Warranty Claim RMA Form

Select Desired Action:

- Warranty (Repair/Replace):** Please read the Raven Industries Warranty Policy prior to completing this form. To avoid delays, include a copy of your proof of purchase on any warranty claim with this form. After an RMA has been assigned, ship to Farmtronics.
- Repair and Return:** As a courtesy, you will automatically be notified if the repair exceeds \$500.00. Out-of-warranty repairs on precision products are charged parts and labour. Out-of-warranty repairs on auto rate controllers, valves, flow meters, etc., are a flat rate. If you want to know the flat rate before shipping, call 1-800-667-8001. After an RMA has been assigned, ship to Farmtronics.
- Estimate Repair:** The charge for an estimate is \$65.00. There is no charge for an estimate if the repairs are approved. Should no fault be found, a diagnostic fee would apply. After an RMA has been assigned, ship to Farmtronics.
- Estimate Repair if over \$**_____.
- Return for Credit:** Authorization for returning merchandise for a refund must be obtained by Raven Canada.
